This packet includes our current 2020-2021 dance opportunities. Page 2-4 of this packet has general information and reminders. Pages 4-6 of this packet contains our current 2020-2021 Dance Season Class Schedules. Tentative Recital Dates and class breakdowns are on page 7-8. Classes will take place at 155 West Broadway in Monticello.

CLASSES WILL BEGIN with virtual parent meetings: September 8th-10th for all classes. In-Person classes are scheduled to begin September 14th and students will most likely size for shoes, costume, and tights during this first week of in-person classes. A letter with more details will be e-mailed out in late August. Please remember that our plans are fluid and could change given any new or updated Covid-19 recommendations.

Welcome to Lucille Murray's Studio of Dance!

We are excited to publish our tentative schedule for the 2020-2021 dance season. Please keep in mind that this information is **TENTATIVE**. Please pay attention to the **UPDATED DATE** on page 1, and **ALWAYS** use the most recent dated version. If we make any changes to a class that your child is registered for during the summer, you will be notified by e-mail. 😊

Please note the following:

- **We have prepared for our upcoming season in a manner that best promotes safety.** This increases the likelihood of our dancers being able to meet face-to-face at the studio as health conditions in our community continue to change. All the procedures outlined below (and in our Preparedness Plan) are in place to keep our dancers, staff, and family members as safe as possible.
 - We have **kept class sizes small (6-8 students per class)** to allow for proper social distancing in the studios as necessary (approximately 10-12 feet between each child).
 - We have **scheduled 15 minutes between each class and staggered classes between Studio A and B** to allow dancers from each class time to exit the lobby area before dancers for the next class enter.
 - We will ask **dancers meeting in Studio C to enter through the door to Studio C** rather than enter through the front doors/lobby.
 - **15 minutes between classes will also give our instructors time to disinfect the studio space**, as well as *time for our HVAC system to circulate some fresh air into the studio space between classes.*
 - **We are offering Virtual class options for students who do not feel safe to come into the studio space for class.** If you are interested in registering for classes virtually (rather than in-person at the studio), please e-mail the office and we will help get you set-up. We will also use our virtual system for students who are ill (or whose family members are ill) to take class from home, as well as a back-up if we ever need to go on-line for any period of time during the season.
 - **Parents and non-dancers will be asked to limit their time in the studio this season.** Only parents of dancers ages 7 and under will be able to help their child get into the studio and to their teacher. ALL parents will be asked to wait outside the studio during class time, but they should be easily accessible by phone if they are needed during class.
 - **Students (and parents for those 7 and under) will have a designated spot in the lobby where they will be required to wait until they are invited into class.**
 - **If you want a copy of our current Preparedness Plan, please e-mail the office.**
- **Due to the smaller class sizes, we have less class availability for our upcoming season. WE STRONGLY RECOMMEND REGISTERING ASAP if you would like a spot in the upcoming season.** If the class is full when you register, please sign up for the waiting list. We will monitor enrollment and will attempt to add sections as numbers allow. **Registration opens Tuesday, July 21 at noon!**
- **Due to the limited class sizes, we have changed some of our classes from past seasons that were add-on classes to class options** (meaning you can sign up for those without being in another class this season). **These classes include: tap, musical theater, ballet technique (through adults), Alpha Hip Hop and Omega Hip Hop.** The Hip Hop teams will meet every week this year. We are limited to six people on each hip hop team and interested dancers will need to sign up for the workshop in August.
- Most of our classes do 1 dance at the winter show, and 2 at the spring recital. However, our recreational hip hop, tap, and musical theater classes do 1 dance at the winter show, and then a different (1) dance at our spring recital. This is due to the fact that they only do one style of dance and because we need to take the length of the shows into account.
- **We will begin our season the week of Sept 8-10 with virtual parent meetings. OUR IN-PERSON CLASSES WILL BEGIN SEPTEMBER 14th.** More details will be e-mailed out to registered students in late August.

- **Monthly tuition is due by the 15th of each month.** A \$15 late fee will be applied if tuition is late. Tuition will post due on your account on the 1st of each month, but you have until the 15th to make payment without any late fees.
- **Recreational Classes will pay a full month of tuition September through April, with a half month due on May 1. Competition Teams will make a full tuition payment September through May, with a half month due on June 1** since it is a nationals year, and we will compete in June at a national competition (somewhere in the Midwest).
- **ALL ACCOUNTS WILL BE ENROLLED IN AUTOPAY.** If you want to control when your payment is made, you can make your monthly payment manually any time before the 15th of the month (due date). Payments for all accounts with balances due will be processed on the 15th of the month.
- All payments must be made on-line for contactless payment. **We do NOT accept cash or personal checks.** **If your payment does not go through,** accounts will be charged the \$15 late fee on the 16th of each month.
- **Students will not be allowed to attend class for any account that falls more than one month behind.**
- **It is our hope to hold a winter recital and spring recital this season. Family members will be required to purchase tickets in order to attend our recital(s) as long as audiences are allowed.** Tickets will be sold in advance through an outside ticketing agency, as well as at the door on the day of the recitals. If audiences are not allowed, but we are allowed to hold performances on stage, we will still have a recital experience and will share them virtually. In this case, each family will have a Recital Fee instead of purchasing tickets.
- If you have more than one child in the program, please **note the tentative recital groupings (see page 8).** **If possible, register your children so they will perform in the SAME recital.** Family members who attend more than one recital **will need to purchase a ticket for each separate recital.**
- **A family non-refundable registration fee of \$25 is due each year.** This cost is the same regardless of how many children you are registering in your family. This is how we offer a FAMILY DISCOUNT by taking \$25 off for each additional student up front at the time of registration (rather than \$1-2 per month).
- There will likely be **a media fee of approximately \$25 added to each family's account.** Our recitals will be recorded professionally, and each family will receive access to the footage through on-line links that they can also download and save. This fee also helps us offer classes and meetings virtually by using both Vimeo and Zoom platforms. Due to the advances in technology, this plan could change. We will keep you updated during the season.
- **Approximate/Tentative costume and shoe costs are listed with each class below.** These are subject to change. Final pricing will be published in the fall.
- **We do have plans to offer our Omega and Alpha Hip Hop Team this season.** However, we plan to make it a weekly class and open it to dancers even if they are not in another class. Interested dancers should enroll in the hip hop workshops and tryouts August 4-5, 11/12.
- **We are also hoping to offer our Moon and Contemporary Teams as an add-on class for interested competition dancers.** If you have interest in these classes, please express interest on this on-line form and we will share information with you as it becomes available.
<https://forms.gle/g8M3AYeJ8e7v5K1s6>
- **PROCEDURES for Solo/Duet/Trio lessons for 2020-2021.** We are working on details for private lessons for next season and will share those once they are set.
You may indicate your interest in private lessons for the fall, by visiting this link:
<https://forms.gle/AbTFLno4TCyjdE2R7>
Slots will be finalized in the fall. You will be updated either way. Private lessons will begin in October.
- **We are hoping to continue with our two Pre-Comp Teams again this season. One for approximate ages 5-8, and one for approximate ages 9-12. Does your child know his/her dances, like to practice, and takes his/her recreational class a bit more seriously than some peers?** *This class allows alike minded dancers the opportunity to challenge one another and get a taste of competition dance, without the additional costs/time commitment involved in the competition program. It is a great first step to see what you think before jumping into the competition dance program! These Pre-Comp teams will meet one time per week, will purchase two costumes (one*

for each dance), and will participate in one competition next spring. Their class time will be slightly longer than the recreational classes which will allow for more technical instruction. If you are interested in a Pre-Comp team, enroll in the workshop/tryouts in August or contact the office for more information.

- **Dancers interested in dancing competitively next season MUST REGISTER for OUR COMPETITION WORKSHOP**. Space is limited and enrollment date will be taken into consideration when planning, so register now if you are planning to attend!
- **TO REGISTER, VISIT OUR WEBSITE:** lucillemurraysstudioofdance.com
- **When creating a dance account, be SURE TO ENTER YOUR CHILD'S BIRTHDATE**. This allows the system to show you the age appropriate classes for your child. If you do not enter a birthdate, it will not show you all the available classes.
- **REGISTRATION WILL OPEN Tuesday, July 21st at noon.**
- **FEEL FREE TO CONTACT THE OFFICE WITH QUESTIONS, or for assistance!**

It is our goal to offer classes that work for our families! By offering small classes that have staggering start times, it has made our scheduling a bit more challenging this season. **If you see a need, or have a request for a certain class/age on a specific day/time range where it is not currently offered, please e-mail to let us know your request.** We are considering offering special sessions for pre-acro and Acro 1 if we are able to do so effectively with current guidelines. We are always also exploring additional class offerings if we have enough interest and the staffing to cover the new classes. If you are looking for Parent and Me options (for younger dancers) please fill out this form to let us know of your interest and we will update you if/when we offer special sessions. <https://forms.gle/u9dsmxcdwWEyXGSA8>

GIVEN THE CURRENT SITUATION, WE ARE ALSO OPEN TO OFFERING ANY OF OUR RECREATIONAL CLASSES

VIRTUALLY FOR STUDENT/FAMILIES WHO DO NOT FEEL SAFE COMING IN TO THE STUDIO AT THIS TIME. We are more than willing to discuss tuition and format with any families who would like to explore the **VIRTUAL OPTION**. If you want to learn more about virtual class options, please e-mail the office:

lucilemurray@lucilemurraysstudioofdance.com. **Our Thursday Pre AM class will be virtual.** We will communicate with the parents on recital options for this class as things progress this season.
