Welcome to Lucille Murray's Studio of Dance

We are excited to publish our tentative schedule for the 2022-2023 dance season. Please keep in mind that this information is **TENTATIVE**. Please pay attention to the **UPDATED DATE** on page 1, and **ALWAYS** use the most recent dated version. If we make any changes to a class that your child is registered for during the summer, you will be notified by e-mail.

- **TO REGISTER, VISIT OUR WEBSITE:** lucillemurraysstudioofdance.com
- **When creating a dance account, be SURE TO **ENTER YOUR CHILD'S BIRTHDATE**.** This allows the system to show you the age-appropriate classes for your child. If you do not enter a birthdate, it will not show you all the available classes.
- **REGISTRATION WILL OPEN Friday, June 17th at noon for current LMSD families. CONTACT THE OFFICE WITH QUESTIONS, or for assistance!** We will begin sharing details with the public and posting this information on our website on Monday, June 20th. Register now for best selection of classes.

After you register, please note the following:

- **Please mark your calendar to attend one of our Informational Meetings/Sizing/Measuring Days!** *If you attend one of the August dates, you should hopefully be able to get your shoes in time for our first day of classes.*
WEDNESDAY, JULY 27th: Stop in between 5-7 PM
WEDNESDAY, AUGUST 24th : Stop in between 5-7 PM
MONDAY, AUGUST 29th: Stop in between 4-6 PM
-
- Late Registrations (after Aug 29th) – Stop into the studio on Thursday, September 8th between 4-7 PM*
- **We will begin our season the week of Sept 12-15 with regular classes.**

Other LMSD Dance Class Information:

- **A family non-refundable registration fee of \$25 is due each year for dancers enrolling in our dance classes.** This cost is the same regardless of how many children you are registering in your family.
- **Most of our classes do 1 dance at the winter show, and 2 at the spring recital.** However, our recreational hip hop and tap classes do 1 dance at the winter show, and then a different (1) dance at our spring recital. This is due to the fact that they only do one style of dance and because we need to take the length of the shows into account.
- **Monthly tuition is due by the 15th of each month.** A \$15 late fee will be applied if tuition is late. Tuition will post due on your account on the 1st of each month, but you have until the 15th to make payment without any late fees.
- **Payments are due by the 15th of the month September through April, and on the 1st of the month in May (and in June for competition teams).**
- **Recreational Classes will pay a full month of tuition September through May. Competition Teams will make a full tuition payment September through May, with a half month due on June 1.** Competition Teams will continue to practice after our spring recital and will take part in a national competition (in the Midwest). Tuition is paid monthly regardless of the number of classes in that particular month. You can see the class schedule on our tentative yearly schedule.
- **ALL ACCOUNTS WILL BE ENROLLED IN AUTOPAY.** If you want to control when your payment is made, you can make your monthly payment manually any time before the 15th of the month (due date). Payments for all accounts with balances due will be processed on the 15th of the month and you will get an email receipt.
- All payments must be made on-line for contactless payment. **We do NOT accept cash or personal checks.** **If your payment does not go through,** accounts will be charged the \$15 late fee on the 16th of each month.
- **Students will not be allowed to attend class for any account that falls more than one month behind.**

- Costume deposits (for competition dancers & pre-competition dancers), and **Costume payments for recreational dancers are due September 15th**.
- **We plan to hold a winter and spring recital this season. Family members will be required to purchase tickets to attend our recitals.** Tickets will be sold in advance through an outside ticketing agency.
- **In addition to the recital tickets. Each family will also pay a recital fee.** The winter recital fee will be approximately \$25 and will cover the videography of the event. The spring recital fee will be \$50 for your first child, \$40 for your second child, and \$30 for any additional children. The spring recital fee will help cover part of the end of the year awards, the videography of all recitals, and a spring recital t-shirt for your child(ren).
- If you have more than one child in the program, please **note the tentative recital groupings (see page 6)**. **If possible, register your children so they will perform in the SAME recital.** Family members who attend more than one recital **will need to purchase a ticket for each separate recital.**
- **Approximate/Tentative costume and shoe costs are listed for each class on pages 4-5.** These are subject to change. Final pricing will be published in the fall.
- **Pre-Competition Option** – if your child and family are interested in the pre-competition classes, you are able to sign up for those like you would a recreational class. However, it is important that you understand the extra time/commitment that is expected. Dancers are expected to make classes a priority, as well as practice and know their choreography without the teacher leading them at performances and competitions. Dancers in the pre-competition classes will participate in two competitions in the spring of 2023. All dancers/families enrolled in pre-comp classes will be required to commit to the entire season and will need to sign a contract. These contracts will be sent out to families who enroll in a pre-comp class later in the summer.
- **Competition Program** – any dancers interested in participating in the competition program next season should enroll in our Summer Technique Program (e-mail the office to enroll). They also need to sign-up for and attend our **LMSD Workshop and Tryouts August 2-5** which can be done on-line in your LMSD dance account. Competition dancers/families will need to sign a contract committing to the season and agreeing to the additional time/financial commitment. Small groups/special groups will be determined during this try-out process and dancers may be invited to participate in extra classes in addition to their regular Competition team. Competition teams will have **August 8-12 OFF** and they will **begin to rehearse the week of August 15**, with the **week of September 6-9 OFF**. Competition dancers are also strongly encouraged to take part in the ***extra add-on classes with Ms. Cindy this summer, as well as the specialized 1-day workshops*** offered with outside teachers/choreographers.
- **PROCEDURES for Solo/Duet/Trio lessons for 2022-2023.** Interested dancers should fill out this form. We may begin solos/duets in August, so signing up early will increase your chance of securing a private lesson slot. <https://forms.gle/LGCrJzeV2sQgPowR7>
Slots will be finalized in August. Some solo lessons may begin in August/September (and during the weeks that our groups are scheduled OFF – see above section), and others will begin in October.

NEW PRESCHOOL and TODDLER DANCE CURRICULUM Fall of 2022: *Little Dancer*

We are excited to implement this new curriculum for our youngest dancers (ages 18 months to 7 year olds) next season. This curriculum is all about fun and imagination while fostering early childhood development for toddlers and preschoolers. All activities are themed or story-based to keep even your littlest dancers' attention. Take your students on a dance adventure—discover dinosaurs, explore oceans, or blast off into outer space!

Our Five Pillars:

The Pixie Dust Method

We like to call our approach the Pixie Dust Method. It's like sprinkling a little pixie dust on our dancers.

IMAGINATION

Our curriculum brings dance class to life with stories and themes. We turn dance class into an imaginative adventure filled with creativity.

TECHNIQUE

Making class fun does NOT mean sacrificing technique. Our curriculums teach basic skills to young children in a developmentally and age-appropriate way.

EXPLORATION

Our method gives children the chance to explore dance concepts and technical skills by creating, problem solving, and choreographing—allowing them to learn on a much deeper level.

PERFORMANCE

Performance happens long before our students reach the stage. Our curriculums include dances for students, basic acting, pantomime, curtsies & bows. We always enjoy performing for our supportive parents at the end of each class!

G

GROWTH

Students, parents, and teachers see growth in SO many ways as our method is incorporated throughout the dance season. Watch as your child's listening skills/willingness to following directions, fine/large motor development, communication skills, academic skills and confidence GROW throughout the season.

SPECIAL CLASSES (NON-PERFORMING CLASSES)

No Registration Fee for the following Class Options. Dancers will not purchase costumes, and they will not perform in the recitals. Some of these classes run the entire season with a monthly tuition fee. Others have sessions offered throughout the season. There is NO registration fee for the session classes, however, a \$25 cancellation fee will be deducted from any session refund. Once each session begins, the session fee is non-refundable.

Adult & Me CLASSES (for ages 18 months-3 years) – Little Dancer OR Kinder Acro Options

Dancers do NOT participate in the recitals or purchase costumes. These classes are offered in **shorter sessions** throughout the season for our youngest age group. Dancers will explore fine and gross motor, academic skills, and learn to follow directions by exploring creative movement and music in a fun age-appropriate atmosphere. Instructors lead this class, but a trusted adult needs to attend and participate IN class with their child. *Little Dancers - Pricing varies based on the number of weeks in each session.*

LMSD will be implementing a new Acro Dance Program next fall, with options for Adult & Me, as well as preschool through 18 years of age.

A program your kids will love! Take a stand-alone class, or add-on an acro class to your child's schedule.

What is Acro Dance?

Acro Dance is an art form that incorporates the fluid movements of dance with the exciting tricks from acrobatics.

It is “gymnastics for dancers”, where students develop specific strength, flexibility, and technique, to learn how to execute acrobatic tricks, to then be used in dance choreography.

The training students receive in their acro dance classes helps to reinforce the technique in all other dance genres.

Adding acro dance is next-level training that will develop a specific skill set, it helps create well-rounded and versatile dancers.

ADTA and Discover Dance have collaborated to create a fun, engaging, brain centered Adult & Me and Preschool Acro program.

Register your child today for their 15-week session!

We understand schedules are busy, so if you need to miss a class or two during the 15 session we understand. Sign up and come as you are able. Of course, the more your child can attend, the more progress they will be able to make during the session!

If your child is also enrolled in a dance class and the acro dance class is an add-on class, e-mail the office after you enroll so they can adjust your acro dance tuition. Add-on classes will be discounted \$15 per monthly charge.

Does your 7+ year old child LOVE to do handstands, cartwheels, and roll around the house. Do you want them to learn acro tricks in a fun and safe class environment? Want to try acro dance without a full season commitment?

THE ACRO 101 BEGINNER CURRICULUM

Try our **Acro 101 Program** – a 15-week beginner session for students ages who are new to acro! In this program, your child will learn beginner-level acrobatic tricks, partnering, and across the floor combinations. Created by the world-renowned Acro Dance Teachers Association (ADTA), Acro 101 is the highest-quality acro program available for beginner students.

7+

Once your child completes their 15-week session, they will be ready to move onto Junior-level acro! At this point, you can decide if you’d like them to join one of our full-year acro classes, and continue learning and developing new acro skills.

THE ADVANCED ACRO CURRICULUM

Advanced Acro Program – ages 7+ (based on skill level) – master Intermediate level skills and attend test day (or through individual assessment)
\$56/month stand alone or \$41/month (add-on class)

Will be added to the schedule as students are ready for this level. E-mail office if interested.

Junior Level and up are weekly classes all season long (following our LMSD dance calendar) that specializes in tumbling/acrobatics. ***Participants will work their way through levels as they master skills throughout the year. The curriculum requires hard work, but creates a fun environment for participants to work to develop proper/safe technique as they build strength and flexibility. These skills then build up into tumbling/acrobatic/partnering skills. Students will master skills at their own pace/timing*** which allows for growth at different rates for each participant. Dancers will not be allowed to move on to the next level until they demonstrate the mastery of the skills to execute the next skill level properly and safely. This decision will be solely determined by the acro instructor who has the proper training and expertise to make the proper assessment. LMSD will have a yearly testing day to help determine your child's level for the following season.

Dress Code and Color Levels associated with each Acro Level:

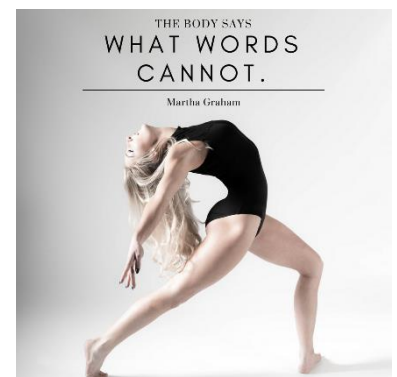

YOUNGER DANCERS (Ages 18 months-6) – Any color is acceptable. Black or Light Pink leotard with footless tights is recommended.

JUNIOR LEVEL – BURGANDY leotard with footless tights

INTERMEDIATE LEVEL – ROYAL BLUE leotard with footless tights

ADVANCED LEVEL – RED leotard with footless tights

**** Uniforms/Leotard and footless tights will be ordered through an LMSD link Nimble site and will ship directly to your house. ATTEND one of the sizing dates.**

IF YOU ADD a Junior or Intermediate Acro Dance Class on top of one of our LMSD dance classes – you will pay just \$41 per month in additional tuition (depending on the length of your class). If this is the only class you are enrolled in at LMSD this season, the monthly fee is \$56/month. Classes run September through May (following our LMSD dance calendar).
