MEASURING/SIZING DAYS

If you have not already attended one of our 3 previous sizing days, please stop in to the studio on Thursday, September 8th between 4-7 PM!

- **Wear tight fitting clothing and tights**
- **We do have apparel available to purchase at the studio if needed**

- It **is helpful to know your child's current clothing and shoe sizes** when you come to your meeting time. We will have try-on shoes for some shoe styles which helps us select the correct dance shoe size to order for your child.
- Since dancers/families will be stopping in when it works in their schedule, please be patient as staff helps others.
- Following your sizing day, you will then order shoes/tights through your LMSD dance account (turners), and Nimble On-line Store for tights/all other shoes.
- ***If you absolutely can't make it to a measuring/sizing day, please e-mail the office.*** In this case, we will need to make special plans to measure/size your child on the first day of classes if possible (although your child won't have shoes/merchandise as early this way).

Payment Information

Our recreational and pre-comp dance families will pay a full month of tuition September through April by the 15th of the month, and a full month of tuition in May on the 1st of the month. **Our competition families** will pay a ½ full month of tuition by August 15, a full month of tuition by the 15th of the month in September through April, and a full month of tuition by the 1st of the month in May and June.

PLEASE NOTE: Costume Fees, and September tuition will BE DUE BY SEPTEMBER 15th. Also, please see our tentative schedule for our winter and spring recitals at the end of this handout which lays out the classes scheduled to participate in each show. We want you to have this information now so there are not any surprises at recital time! Parents with children in more than one recital WILL need to purchase tickets to each show.

If you want to make a payment by credit card any time during the season, visit our website and go to the payment tab, or use this link:

<https://www.thestudiodirector.com/lucillemurraysstudioofdan/portal.jsp>

When making a payment, be sure to continue all the way to the thank you message to ensure your payment actually goes through. You will have the option of going on-line and making your payment each month manually before the due date (by the 14th of the month), otherwise all accounts will be set to auto pay. This means that if you do not manually pay for the balance due on your account by the 14th of the month, that LMSD will process balances due on all accounts on your credit card on file on the 15th of each month. You will then receive a receipt via e-mail notifying you that your card has been processed, as well as the amount charged.

We are still getting everyone's accounts up-to-date for the season, **so if you want to conveniently pay for everything at one time, you may want to wait until September 14 to make payment.** **PLEASE NOTE THAT COSTUME fees may not yet be entered on your account, so they are NOT showing up in the "Due Within 30 Days" yet. They will be added before the due date of September 14. If you wish to pay ahead, you can certainly go on and make a payment in the amount of your choosing at any time.**

Please see the chart for details on your child's COSTUME, SHOES, AND MONTHLY CLASS FEES for the 2022-2023 Dance Season. If you have not yet paid this fee, there is also a \$25.00 registration fee for each family due at the time of registration.

We can also answer questions at your sizing/measurement day, as well as confirm your child's class day/time. We will also be sending out a parent informational video, and a link to our LMSD Parent/Student Handbook in the near future!

Please feel free to e-mail Lucy at lucillemurray@lucillemurraysstudioofdance.com, or call her at 763-412-2691, with any questions. See you all soon for a wonderful dance season!

NIMBLY STORE INFORMATION

After you attend the measuring/sizing day...

Visit our Nimbly on-line shop to purchase jazz, tap, ballet, hip hop shoes/tights/attire:

(You can purchase items in your class list, but the entire site is available)

You will need to create an account if you do not have one from last season. Be sure to create a STUDENT account. If you accidentally create a studio account, it will tell you that you need to wait to be verified and if that happens you are not creating the correct type of account. 😊 **You can visit this page to set-up your account and then go to your class link below, or go to the class link and then log-in/create an account.** [Login \(shopnimbly.com\)](http://shopnimbly.com)

ORDER JAZZ, TAP, BALLET, HIP HOP SHOES and TIGHTS from Nimbly. They will **ship directly to your house.** We recommend **ordering as soon as you attend the measuring/sizing day** so you will hopefully have them for your first day of classes. There is a **free exchange process** if you do run into sizing issues. In addition to using our try-on shoes to help guide you, there will be a shoe sizing chart that pops up when you press the links. Please **pay attention to those guidelines and suggestions as dance shoes do NOT run the same sizing as street shoes.**

You need tights for class, and also need to order tights to go with your costume for recitals. We recommend **ordering the tights now to save on shipping.** We also recommend **ordering 2 pairs in each style for costume tights** (as well as any pairs you want for class), so you have a back-up pair at recitals/competitions. Please keep costume tights in a safe location until performance season.
