SUMMER CLASS SCHEDULE AT OUR STUDIO (155 WEST BROADWAY, MONTICELLO)

## SUMMER TECHNIQUE CLASSES

**We will again be offering UNLIMITED TECHNIQUE CLASSES this summer.** This system works well by giving dancers/families the flexibility to work around activities/vacations during the summer...while still finding many class options to fit into your summer plans. We have added more class options (days/times) this summer, and have broken down our groupings even further for some of our class options.

**The cost is \$190 (non-refundable). It is a one-time flat fee paid at the time of enrollment and covers any/all of the Technique Classes for the entire summer.** Please note: Competition Prep Class is a separate weekly series. Parade Session is included in the Unlimited Tech Classes for FREE – but you must still enroll for the class separately and pay \$12 for the T-shirt.

**Dancers currently in competition dance will receive a separate e-mail with their GROUPING.** The staff evaluated each dancer and placed them in the group they feel is the best fit. These groupings allow for smaller class sizes, and more specialized instruction. **PLEASE KNOW THE STAFF WILL CONTINUE TO OBSERVE DANCERS THROUGHOUT THE SUMMER, and they will recommend moving to a different group if they deem it a better fit.**

**All recreational or new dancers coming to our summer technique program, should attend GROUP 1 classes to be evaluated for the first week.** Please let the teachers know that you would like their feedback on which group classes you should attend in the future.

There are class options on Mondays, Tuesdays, Wednesdays, and Thursdays. There will be no classes on Friday-Sunday.

**Ms. Dani, Ms. Rhi, and Ms. Cindy are teaching the technique classes.**

### **THERE WILL BE NO TECHNIQUE (or recreational) CLASSES ON THE FOLLOWING DATES:**

**Mondays – July 2**

**Tuesdays – June 26, July 3, 24, 31, August 7 no AM classes, August 14, and August 21 is TBD**

**Wednesdays – June 27, July 4, 25, August 8 no AM classes, August 15, and August 29 no PM classes.**

**Thursdays – July 5, August 9**

**Note: The week of the 4<sup>th</sup> of July is OFF!**

***Be sure to double check the schedule on-line, as dates may change/be adjusted throughout the summer.***

The current schedule is posted and open for enrollment. **Payment is due at the time of enrollment. The system will automatically drop you if payment is not made at that time. Once you pay the one-time class fee of \$190, you are welcome to attend any/all technique classes during the summer months.**

**The Unlimited Technique Classes are EXPECTED FOR ALL OF OUR LMSD COMPETITION DANCERS.** We also welcome any outside dancers, as well as our LMSD recreational dancers who may want more challenge or are thinking of trying out for a competition team for next season.

**THE UNLIMITED TECHNIQUE SCHEDULE BEGINS ON MONDAY, JUNE 18<sup>th</sup> and will run through THURSDAY, AUGUST 30<sup>th</sup>.**

SUMMER CLASS SCHEDULE AT OUR STUDIO (155 WEST BROADWAY, MONTICELLO)

INTERESTED IN DANCING COMPETITIVELY NEXT SEASON?  
WHAT DO YOU NEED TO DO TO PREPARE?

First, be sure you want to commit to dance and make it a priority! Competition Team members are expected to attend more class sessions, make additional financial commitments, and dancers MUST practice their dances at home! If this is something that you'd like to do, and your family supports it – then we strongly encourage taking the Competition Prep class and the Unlimited Summer Tech classes. Keep dancing and working on technique this summer and pay special attention to turns, leaps, ballet technique, and STRETCH daily! You MUST also participate in the Competition Workshop and Try-Outs in August. The details are listed below. We expect dedication and hard-work from our competitive dancers, but it is very rewarding, builds positive self-esteem, and we have a lot of FUN! 😊

## LMSD COMPETITION LINE WORKSHOP AND TRY-OUTS

**LOCATION:** Lucille Murray's Studio of Dance Studios

### DATES:

Ages 3-6 will attend 8:45-9:45 AM each day.

All other ages will attend 9:45 AM-12:45 PM each day, for a total of 9 hours of workshop instruction.

*\* Please note that if numbers are high, we may adjust the groups/times. If needed, the alternate groups will still be held on the same days, but may go later into the day.*

Small group tryout sessions WILL BE SCHEDULED THROUGHOUT THE DAY on TUESDAY, AUGUST 14<sup>th</sup>. You will be notified of your child's try-out time on the last day of workshops. ALSO, keep WEDNESDAY, August 15<sup>th</sup> from 9 AM – 3 PM available for call backs!

**REGISTER:** On-line at [lucilemurraysstudioofdance.com](http://lucilemurraysstudioofdance.com) – Registration Tab. **Only register for the first day of workshops and pay, and you will automatically be enrolled for all three days, try-outs, and call backs.**

**PRICE:** \$50 if enrolled and paid by July 15<sup>th</sup>. The price will go up to \$60 after July 15<sup>th</sup>.

**\*The workshop and try-outs are MANDATORY for dancers interested in participating in a competitive line.** The instructors will determine teams after the try-outs, and will invite those dancers who they feel are ready to participate in a competitive line for the 2018-2019 dance season onto the appropriate team. New competition dancers should STILL register for recreational classes in order to hold a spot. We can release this spot to another dancer after the Competition Teams are announced if your child is selected. However, if you do not register and keep a spot for your child in a recreational class, you do risk the chance that the classes may be full by the time we announce Competition Teams in late August/early September.

Please note: **If you are not able to make the workshops/try-outs, this could negatively affect your team placement. Vacations should be scheduled around the workshop/try-out schedule as they have been on our yearly calendar which was shared in August of 2017.** Instructors will do their best to be fair, but it is not ideal to miss either the workshops or tryouts as it does not allow dancers to perform their best at the tryouts, and instructors are not able to see them dance with other dancers as they form the teams. Workshops and Tryouts are MANDATORY. IF you absolutely have a conflict that you CAN'T work around (specific to this year), you DO still need to register for the workshop and pay the fee in order to be considered for a competitive team, and you will need to contact the office to discuss your alternate plan. **THERE WILL BE AN ADDITIONAL FEE OF \$30 added to the regular registration fee due to extra work and planning.** If you will miss try-outs/call backs, you MUST try out early (immediately after workshops) so instructors have all tryouts completed by August 15 when determining teams for next season. If you will miss workshops, you need to make advanced plans to get video of the choreography from another dancer.

Please feel free to contact Lucy with questions at: [lucilemurray@lucilemurraysstudioofdance.com](mailto:lucilemurray@lucilemurraysstudioofdance.com) or at 763-412-2691.

SUMMER CLASS SCHEDULE AT OUR STUDIO (155 WEST BROADWAY, MONTICELLO)

## SUMMER SOLO/PRIVATE LESSONS 2018

SUMMER SOLO LESSONS will be published under Summer Solo Slots tab as they are determined.

- Summer Solo Lessons costs \$30 for a 30 minute lesson.
- Dancers will work one-on-one with an instructor.
- Summer solo lessons will work on skills (turns, leaps, and possible combinations). Dancers can let instructors know if there are certain skills they want to work on. However, instructors will determine if the dancer is ready for the requested skills, or if there are other skills they need to master first. Please remember that skills and tricks are not the same thing.
- Summer solo lessons will NOT select music or work on solo/duet choreography. That will take place in the fall.
- Dancers should arrive already stretched and ready to dance (unless stretching is what they want to work on with the instructor)!
- Please remember to keep your focus on what is most important to LMSD Staff this summer – when determining dancer's skill level and competition team placement, the most important component to our staff is ballet/jazz technique, overall quality of dance movement, and performance quality. It is NOT tricks (needle, walk overs, aerials, etc.).

**We have opened some Summer Solo slots. Some instructors will be determining their schedules and adding spots each month, so remember to check back for new days/times throughout the summer.** There is a separate session/tab with the solo days and times you can press on when registering on-line. SOLO LESSONS ARE NOT INCLUDED AS RED TECHNIQUE CLASSES. If a solo day/time is listed in red text, it means the solo day/time is already taken. The solo days/times listed in green are still available. Solo class fees are due upon enrollment. If you miss a solo day/time, you will still be held accountable for the fees. If you need to change or cancel a private lesson, please contact the office at least 7 days prior to the scheduled date. If you register for a solo spot within 72 hours of that lesson time, please call and e-mail the office to verify that the teacher will be there.

The summer solo lessons are designed to give one-on-one attention. Dancers will work on technique/skills, and possible combinations you are thinking they want to do a solo/duet in the fall. Or, they can be used just to improve technique and get one-on-one focus to prepare for next dance season. For dancers interested in performing a solo/duet next season, we will wait until fall to select music and begin choreographing private lesson routines. Dancers will be required to enroll in a private lesson day/time slot in the fall. They will meet two times each month throughout the season (October-March and one time in April), and will pay for their lessons monthly (as a class fee). More details will be published with our fall paper work. PLEASE CONTACT THE OFFICE WITH QUESTIONS at [lucillemurray@lucillemurraysstudioofdance.com](mailto:lucillemurray@lucillemurraysstudioofdance.com)
